

LGV Driver

Job Description & Personal Attributes

Day to day duties:

- To drive the company's waste and recycling vehicles in a safe, considerate manner, following a pre-planned route in accordance with route risk assessment instructions. This will involve plenty of reversing and careful driving often along narrow streets with parked cars.
- To undertake daily checks of the vehicle before it is used to ensure it is in good working order.
- To report any vehicle defects and complete the necessary paperwork to ensure compliance with transport legislation.
- To assist with vehicle loading as and when required (this will depend on collection rounds).
- To ensure the vehicle is unloaded, re-fuelled and ready for use the following shift.

Candidates must:

- Hold a Large Goods Vehicle licence (Class 2 minimum) and be willing to drive a range of vehicles.
- Be prepared to work outdoors in all weather conditions.
- Be fit and able to lift heavy objects.
- Comply with Ubico's Health & Safety Policies and Safe Systems of Working.
- Have a flexible approach to working hours and tasks allocated.
- Possess the ability to work as part of a team and to deal with customers, colleagues and management in a courteous, helpful and friendly manner.
