

Fleet Workshop and Maintenance Manager
Two Vacancies
£37,497 - £38,844 (pay award April 2019)
Cheltenham or Cirencester

Our values:

We're a friendly and ambitious company with a big responsibility. We help to keep the spaces and places where people live, work and visit clean, green and tidy. We impact the lives of everyone where we work so it's important that we always deliver quality and get it right first time.

If you care for the environment and want to make a big contribution in building a successful company then you'll be happy at Ubico. We've built a strong track record of providing environmental services that people count on. We've grown to employ over 600 staff and operate 450 vehicles over 1200 square miles of the most beautiful and vibrant towns, cities and countryside you'll find.

We want enthusiastic and committed people who share our values and want to make a positive difference to Ubico and to the people and neighbourhoods we serve.

What we're looking for:

- Full valid, UK Driving Licence (or European equivalent).
- City and Guilds full craft certificate in Motor Vehicle Mechanics, or equivalent experience.
- Knowledge of best practice in fleet workshop management including vehicle maintenance and aspects of relevant legislation and regulations.
- Experience in the management of people in vehicle maintenance operations, including developing and motivation to deliver outstanding service delivery.
